

Tai Yi Furniture Enterprise Co., Ltd.

Contemporary furniture and wooden & metal-tube K/D furniture

Founded in 1994 as a manufacturer of contemporary furniture as well as combining wood and metal-tube K/D furniture ingeniously, the Tai Yi Furniture Enterprise Co. has used quality products to keep itself competitive in the global market.

Thanks to a strong R&D team and a skilled work force, the company is able to offer a range of reasonably priced furniture items that meet market trends. Today its products come in three major categories: contemporary furniture, dining-set, tables & chairs, and TV stands & racks. Each category includes a variety of items that have been designed and manufactured to meet the exacting needs of different customers.

Tai Yi uses advanced manufacturing technologies to develop molds for furniture products of different patterns, sizes, and functions. Its stylish occasional tables, for instance, are both practical and esthetically pleasing, and are available in a variety of patterns, colors, and functions.

As an export-oriented furniture maker, Tai Yi markets its products globally, mainly to the Unites States, Europe, the Middle East, and Southeast Asia. The company has built strong relationships with its clients, and the loyal support of its customers has helped it weather the global financial tsunami and the economic downturn in recent years.

Tai Yi keeps on rolling out innovative high-end products, especially banquet chairs, stack chairs and coat racks, at competitive prices for its clients everywhere, who are welcome to send in any orders whatsoever.
