

Fusan Handicraft Co.

Motorcycle parts and accessories, lamps, headlamps, engine parts, throttle handles

Since founded in 1972, Fusan Handicraft Co. has been manufacturing parts and accessories for motorcycles and scooters as a veteran supplier in Taiwan's southern city of Tainan.

With more than four decades of continuous improvement, the company has built a solid edge in technology, quality and production capabilities, which are well recognized by foreign buyers.

The company supplies gear shift parts, carburetors, valves, connecting rods, pistons, piston rings, piston pins, crankcase covers, cylinders, clutches, clutch parts, electrical parts, chains, oil pumps, brake parts, front forks, cushions, shock absorbers, throttle grips, steering handles, handle parts, rearview mirrors, body parts, frame parts, mufflers, wheel components, wheel rims, starter motors, tail lamps and headlamps, wheel hubs, forged and cast parts, etc.

Featuring excellent quality coupled with considerate post-sales service, the company is sought after amid professional buyers and end-users in Central and South America, Europe and Southeast Asia, with some parts marketed under its VVmotor brand.

To develop sustainably in increasingly competitive global markets, the company will focus on developing in-house designed and high-performance products that can be certified globally, and will also further expand product mix to meet ever-changing market demand. Also devoted to customer satisfaction, the company is confident to be the best choice for international buyers seeking new partnerships in Asia.
